

VANLUE ATHLETIC BOOSTERS

2024 “Wildcat Club” Membership Drive

All members are encouraged to attend booster meetings and are allowed to have a vote at the Athletic Boosters Meetings. All residents and supporters of Vanlue Local Athletics are encouraged to join & become involved with the Wildcat Club at this time!

The Vanlue Athletic Boosters support Vanlue Athletic programs of all ages in various ways. This includes but is not limited to: offering two \$1,000 scholarships for a graduating male and female student athlete each year, supporting all elementary athletic programs and covering non-member costs of YMCA team sports, contributing to the newly installed Hudl cameras for livestreaming, funding our teams to attend team camps in the summertime, helping fund team bonding activities for all athletic teams, and supporting our Wildcat coaching staffs!

There are 3 types of membership donations! All memberships will be entered in to a drawing at our annual reverse raffle on October 19, 2024 to win 50% of their donation. Other drawings TBD.
