**INVOLVEMENT OF VISITORS:**

Kyle Kromer – Last year we brought to the attention of Student Council that backpacks and computer bags are a similar size, but were told they are a safety issue. Can this be revisited.

Ashley Brauneller – She has an issue with our fundraiser proposal process. She was told by one group that she didn't need to complete the form, but she feels that she should complete the form.

Ashley also commented that she moved into our small district and at first thought about sending her children elsewhere in the future, but decided to give Vanlue a try. So far people have not been very personable. She has had trouble being able to have cheerleading practices at the school. She tried to use her fob but it would work. She was told she didn't need to be in the building. She also asked for help locating the pom poms and no one would help her.

Ashley has not gotten a good impression about how new individuals are treated so she is not sure she will want to send her children to school here.
