Vanlue Local School Network Usage Agreement (to be read and signed by the student and parents or guardians of the student)

Student: By signing this Policy and Agreement you are agreeing not only to follow the rules and policies in the Acceptable use agreement, but you are also agreeing to report any misuse of the network to the network administrator. Misuse means any violations of the policy or any other use that is not included in the policy, but has the effect of harming another, or his or her property.

Parent/Guardian: I have read, understand and agree that my student shall comply with the terms of Vanlue Local School's acceptable use policy. I understand the access is being provided to the student for educational purposes only. However, I understand that it is impossible for the school to restrict access to all offensive and controversial materials and understand my student's responsibility for abiding by the policy. Parents/guardians are advised that determined users may be able to gain access to information, communication and/or services on the Internet which the Vanlue Local School has not authorized for educational purposes and/or which they and/or their parents may find inappropriate, offensive, objectionable or controversial. Parents/Guardians assume this risk by consenting to allow their students to participate in the use of the Internet. Students accessing the Internet through the school's computers assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet. I am therefore signing this policy and agreement to hold harmless the school, the school district, and the data acquisition site that provides the opportunity to the school district for internet access against all claims, damages, losses, and costs, or whatever kind that may result from my child's or ward's use of his or her access account if and when such access is not in the school setting.

I have read, understand and agree by the terms of the foregoing acceptable use policy and agreement. Should I commit any violation or in any way misuse my access to the school district's computer network and the Internet, I understand and agree that my access privilege may be revoked and school disciplinary and criminal action may be taken against me.
